SUPERIOR COURT OF THE STATE OF WASHINGTON
KING COUNTY

ARMESTO
Plaintiff

vs

ROSOLINO
Defendant

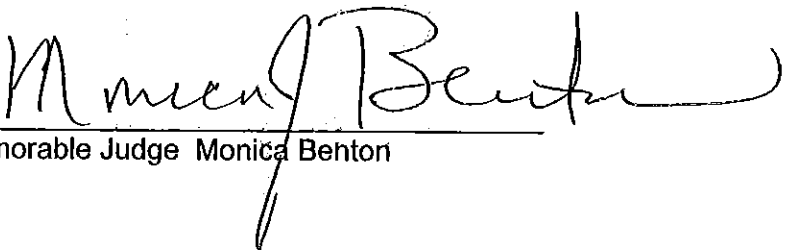

NO. 11-2-23405-3 SEA

Order On Plaintiff's Seventh Motion for
Contempt

The above-entitled Court, having heard a motion by the Plaintiff. None of the Court's Orders regarding the unlawful use of the Rosolino name have been followed by the Defendant. This is the Seventh motion for contempt, the court having ordered some, and denied others. It appears petitioning the court is an act of futility in getting the Defendant to abide by the Court's orders. The defendant has not responded to this motion.

IT IS HEREBY ORDERED that Defendant is in contempt and shall be ordered to pay \$10.00 daily for her disobedience to the Court's order and final judgment. The scope of daily payments begins upon receipt of the Court's order dated as indicated below going forward for each day of non-compliance.

Dated :July 28, 2017

Honorable Judge Monica Benton
